AMENDMENT TO FINGERPRINT PROCESSING FEES LETTER FOR 1989-90 FISCAL YEAR

Noncriminal Applicant Fingerprint Fees

under the provisions of Section 11105 of the Penal Code, the Department of Justice is authorized to charge agencies submitting noncriminal applicant fingerprints a fee sufficient to support the costs of the program. Based on the approved budget for the Department of Justice for Fiscal Year 1989-90 the fee will remain eighteen dollars and fifty cents (\$18.50) through June 30, 1990. This fee applies to noncriminal applicant purposes, including those for criminal justice employees and peace officer clearances.

FBI Applicant Fingerprint Fees

since the federal fiscal year begins October 1, the Federal Bureau of Investigation (FBI) applicant fingerprint fee has not been reassessed at this time. Therefore the FBI fee will remain fourteen dollars (\$14.00) until further notice. Please note that the FBI does exempt law enforcement personnel from their fee.

Record Review and Immigration Clearances

under Section 11120-11127 of the Penal Code, individuals are offered the opportunity to obtain a copy of their state summary criminal history record for purposes of determining completeness and accuracy. Also, under Section 11105(c) (8) of the Penal Code, individuals may submit a request to the Department of Justice for a record clearance as needed for immigration purposes. The Department of Justice fee for these services will remain twenty dollars (\$20.00) for the Fiscal Year 1989-90.

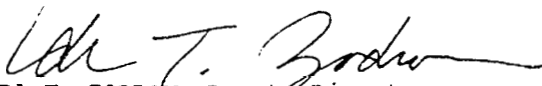

Carrying Concealed Weapon (CCW) Fees

The new rate for CCW initial applications will increase to twenty-four dollars and twenty-five cents (\$24.25). The CCW renewal rate will increase to five dollars and seventy-five cents (\$5.75). Both the initial application and renewal rates will be effective September 1, 1989.

If you require any additional information on these fees and their effective dates, please contact Bea Pruss at (916) 739-5468.

Very truly yours,
